

OUR WONDERFUL NEW RECEPTION STARTERS!

SEPTEMBER 2016

A GREAT START!

What a wonderful start! I would like to extend a large thank you to everybody connected with the school. You have all made me feel extremely welcome and part of the community. It has been lovely to get to meet some of you out on the playground and around school. All of our pupils have made a superb start to the year and it is good to see the children looking so smart in their uniforms and wearing their school colours with pride! I have been blown away by how quickly the children have settled back into school life and there is already a fantastic atmosphere around school. It is quite clear that over the years Hutton Rudby has enjoyed a really positive relationship with parents. That relationship is so important and I am looking forward very much to working with you to ensure the very best for the children we serve. Mr Kelly

STRICTLY COME DANCING!

As Strictly Come Dancing is once again upon us, the children are going to have the opportunity to attend a ballroom and Latin dancing club after school! Watch this space for details, a letter will be out very soon! I can't wait to find out if there are any budding Kevin and Aliona's in our midst. Who knows, could Mr. Simpson be an Anton at the waltz also?

PARKING REMINDER

Please be considerate to our neighbours when you are bringing your children to and from school. Please park safely and sensibly. Do not park over neighbours' drives or directly opposite as they are unable to get out. Thank you.

SCHOOL LUNCHES

All our Key Stage 1 and Foundation Stage children are eligible for a free school lunch; many families have taken up the offer. Could we remind our school community we have children in school with allergies, and one child in school who has a severe allergy to nuts. Could we ask all our families to avoid sending nuts in packed lunch boxes? This would include some cereal bars, cakes etc. The staff are also avoiding nuts and nutty biscuits, chocolate etc. Thank you for your support.

CURRICULUM

Already there has been outstanding learning taking place throughout school. I have loved visiting classes where the children have been desperate to show me their work! Detailed curriculum newsletters containing overviews and events will be sent out shortly.
