Dear Parents / Carers

Whole school assembly – Tuesday 14th February

As recommended to us by the North Yorkshire County Council Education and Skills team, on Tuesday 14th February, some members of the Islamic Diversity Centre in Newcastle will be visiting Hutton Rudby Primary School. They will take part in a whole school assembly before leading a workshop with the Year 5 class who are currently studying Islam as part of their RE curriculum.

The aims of the sessions are to help children develop their 'British Values' as expected by the Department of Education and ultimately to become more aware of one of the nation's and world's larger religions. The children will also be encouraged to ask any questions they wish so that their curiosity on the subject can be answered by experts.

To this end, parents and family members are also more than welcome to come and join the sessions: either the assembly or, **if a Year 5 parent**, the class workshop. If this is something you would like to do, so that we roughly know numbers for seating, please return the slip below to the office or your child's class teacher. We look forward to seeing as many of you here as possible.

Yours sincerely

Mr R Field
Year 5 Teacher
