Dear Parents/Carers

New School Website

I am delighted to announce that our new school website, www.huttonrudbyprimary.co.uk has been 'live' for the past week.

If you get the opportunity, please take a look at the new format, design and features on the website. In addition, the school now has its very own **Smartphone App**, that can be downloaded **free** from the Apple and Android App Stores. The School App is the same as the school website.

We will be constantly updating the website and adding many more new features over the next few months. If you would like any further information or have any ideas that you think we could add to our school website, please don't hesitate to grab me on the playground for a chat.

Many thanks.

Yours sincerely

Mr M Kelly
