Dear Parents/Carers

Trading cards club

When I was at school, (many moons ago!) I remember collecting Panini Football stickers and then feverishly swapping stickers with my friends. It taught me many lessons on sharing, working as a team and negotiating! Therefore, it has been good to see children taking such a keen interest in the current Match Attax craze.

However, as a school we need to look at the whole approach to trading cards, be it Pokemon, Match Attax or even wrestling cards. Following on from this recent craze and through some persistent persuasion from the children, we will be hosting a trading card club from next week for a trial period.

This club will run every Friday lunch time in Year 4's classroom and Year 2-6 children can attend. The club will run from 12:30 – 13:00 (Children must have eaten lunch first).

We will teach the children about the right way to trade cards and come up with some golden rules to stick by. **Children can bring their trading cards into school on Fridays only**, but are reminded they cannot use them in the playground or during lessons or they risk having them confiscated for the day!

I look forward to making some good trades myself!

Many thanks for your continued support.

Yours sincerely

Mr M Kelly
